This product is designed for use with the Rise of the Runelords Anniversary Edition. Notes on how human, elves, dwarfs, gnomes, halflings, half-elves, and half-orcs exist in Varisia. You can edit this page to create it. Domains and more for twenty new deities that make up the central pantheon of the Desbravadoras Chronicles Campanha Scenírio. This invaluable feature for Pathfinder’s first Path of Adventure reveals the best way to customize your character to fit into the realm of Varisia with ease. | Historical This page does not exist. Inside, players in this campaign will find everything they need to create character funds linked to personalities and vital events for the initial expedition of the Pathfinder Adventure Path on the exciting Varisia border, along with new campaign-specific traits to give adventurers the edge they need to face the unpredictable dangers of that untamable land. New achievements to give your PCs a distinct Varisian feel. This player’s guide presents a full Varisia gazetteer, revealing spoiler-free details of the land, both to trace its background and for future adventures. Details on what roles each character class can expect to fill in in Rise of the Runelords, including suggestions for animal companions and family members, favorite enemies, character backgrounds, and more. Sutter for the Rise of Runelords Birthday Edition, was released in July 2012.
